The objects of the BHRA are to act as an intermediary between the residents and other parties to keep residents informed of matters of importance and recreation in and around the village and to promote the interest of Bar Hill Village.

This is a private publication and may not be reproduced without permission.

District Council Notes

Gypsies are continuing to be an ever increasing problem throughout the district, at the last count there were over 70 vans in the locality. At the last environmental services & health committee we gave authorisation for several prosecutions to go ahead under the Public Health Act and Control of Pollution Act.

The permanent site at New Farm, Wadden is now under construction but at least two more sites are required in the district before the Department of the Environment will consider granting us designation. As an interim measure the possibility of using the Milton site, although without full facilities, is to be pursued with the County Council, it would of course be properly supervised to prevent any health hazards. I, like all other councillors hope the County Council may be pressed into action over obtaining the all important designation.

The fire prevention officer at the Home & Safety in the Community sub-committee reported a 20% increase in accidents relating to fireworks last year, statistics show the vast majority of accidents are to younger children, he reminded us all of the firework code. As we have an excellent community bonfire in the village please support the residents association and prevent any child becoming another stastic.

PARISH COUNCIL NOTES

A meeting of the Parish Council was held on Thursday 16th October at 7.30 p.m. at The Old Farmhouse.

Fly-Posting at the Entrance to the Village

It had been noted that outside organisations were still fly-posting on the flyover and it was agreed that the County Council would be informed when this occurred in order that they may come and remove them. The Parish Council will continue to remove any unpermitted signs on their land. The Cambridgeshire Moat House Hotel are also co-operating in endeavouring to discourage their clients from erecting unsightly notices.

Taxi Rank

It was agreed that the Clerk should write to South Cambs. District Council requesting a two-bay taxi rank be implemented in the parking bays in front of the Hall.

Dog Fouling on Recreational Areas in Village

The Clerk is pursuing procedures for implementing a Byelaw prohibiting dogs from fouling these areas and prosecuting their owners if they allow them to do so.

Gantry Signs - A504

Mr. Reynolds explained that due to a number of unforeseen circumstances these would not now be erected until probably the New Year.

The next meeting of the Parish Council will be at 7.30 p.m. on Thursday 19th November at the Old Farmhouse.

HAIR AND BEAUTY EVENING

Mrs. Marin and Mrs Lamont have kindly agreed to join forces again in a demonstration of hair and beauty care, at the Village Hall on Wednesday 24th November, starting at 8 o'clock.

Come and watch the experts at work or if you wish, act as a model and have your hair restyled or some beauty treatment.

Admission £1 on the door, includes refreshments.

SWAVESEY VILLAGE COLLEGE

The College year has started very well. There was a good set of public examination results; the new uniform has been well received and looks very smart indeed. These and other factors have contributed to the mood of optimism which pervades the whole College. We are looking forward to an outstanding 1986/87.

On the Community 'front' we have received a record number of postal enrolments in response to the publication of an excellent Prospectus. There is also an exciting and ambitious Arts Programme planned for the term. You will find below a special events diary for October and early November.

I hope that as parent, student, club member or just occasional user, we shall cater successfully for your needs this year. We shall certainly be trying very hard to do so!

BAR HILL CATHOLICS

Welcome to anyone who is new to Bar Hill. We have Mass each week on Saturday evenings at 6.00pm in the Church Centre. This is the first Mass of Sunday and thereby fulfils the Sunday obligation. Do come and join us - we will be very pleased to welcome you.

The A.G.M. of Bar Hill Catholics held on Thursday 2nd October was well attended. Chris Avery and Maureen Gallicz asked if they could stand down as Chairman and Secretary respectively. I would like to thank them on behalf of us all for all they have done over the past year. I know I will find it hard to follow in Chris's footsteps but hope that I will do so with your help.

There is a House Mass on Thursday 13th November at 8.00pm at Maria Crudge's, 56 Field View. Everyone is most welcome.

Colours Club for children of primary school age is held every Tuesday afternoon during term time from 3.45pm until 5.00pm in the Church Centre. If you have children who would like to come, please ring me or Margaret Moffatt (82366).

Please ring me if I can help with any information on Catholic activities either in Bar Hill or Cambridge.

This has been a very busy and successful half-term at the College. New pupils settled in well, those returning were quickly back into their routines.

House events have been in full swing: soccer and netball, to be followed by rugby and hockey tournaments. College teams have been particularly successful in inter-school matches. The glorious weather has helped, as it did during an outstandingly successful sponsored walk day. Our 'Sport Aid' presentation will live long in the memory as will the week-long visit of the dancer-in-residence, Don McLure, who worked in some primary schools too.

Enthusiasm is infectious. We hope that the vast amount generated so far this term will help to sustain^{us} through the less attractive winter months to come.

Forthcoming events at the College.

BAR HILL COMMUNITY PRIMARY SCHOOL

Since I last wrote to you your community school has been very active during the evenings. All the classes advertised got off the ground with the exception of Advanced German - a class organised through us by Swavesey V.C. This was a great pity as this class started here two years ago as Basic German and had been working its way up. It was a very happy class and I was sorry to see it drop off, although enthusiasts have come along to the Holiday French course which is taking place. As you know all the other courses were scheduled for five weeks and have been well supported. The Keep Fit on Monday nights and the three children's Gym Classes will continue on either Tuesday or Thursday evenings - please see Community Users Association Diary. Don't forget if you have an interest you think others might share don't hesitate to come in to see me and we will try a five week course or some other method to promote that interest.

This month we have a return visit of Mrs. Bergin to show us how to create CHRISTMAS DECORATIONS for the home. This takes place on TUESDAY 25TH NOVEMBER at 7.30 p.m. - cost 50p at the door. Do come along and get ideas and join in a very relaxing and enjoyable evening.

This is the season of a multiplicity of Christmas Sales and Social evenings and I would draw the attention of ALL those in the Village who organise such events to use the Village Diary. I was asked some time ago to keep this diary so that like events didn't clash and detract from each other. This service is still available and if organisations could let me know at the earliest possible moment or conversely check with the diary for a suitable date before advertising commences things should go very smoothly for all. Organising these types of events takes a lot of time and it's such a pity to have - for instance - two Father Christmases at two different events on the same afternoon. The diary will be available for consultation and insertion throughout the school day and a note through the school door in the evening will do the same thing.

Have a good Guy Fawkes night and enjoy the fireworks and bonfire and, hopefully, I will see you in your Community School.

Irene Abraham,
Community Co-Ordinator

Marcus Mole
Neil Rogers (goal)

After our promising beginning we have had a slump losing three consecutive games - disastrously at Huntingdon 7-0 to the Rowdies; gamely to Crusaders 3-1; and culminating with a 9-0 loss to Cherry Hinton when with a score of 5-0 goalkeeper Neil Rogers took a kick in the head but continued bravely until conceding a penalty and another goal when he retired hurt to Addenbrookes for head x-rays, and we finished the game with a noble Jon Williams in goal and nine men on the field. The good news is that Neil was pronounced fit and well and the boys will come out fighting next week for their cup game.

Under 11 Squad

Since our last letter we have only played another two games which we lost 4-0 and 2-0 respectively, but to anyone who has seen them play they are getting better by the game so hopefully one day they will knit together as a team good enough to give anyone a run for their money. The Storexheel Video Player of the month (September) is James Circuit a richly deserved award.

Squad is:

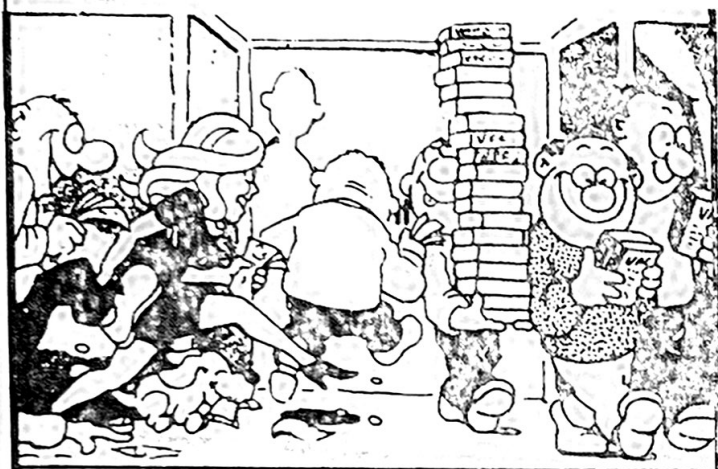

Alex Brown	Grant Hinchliffe	Kevin Sargeant
Brett Calder	Ian Hoare	Stuart Saunders
Guy Carter	Benjamin Impey	Jon Stedman
James Circuit	Neil McManniman	Christian Stockle
Lee James Cook	Paul Morris	Andrew Targell
Gavin Edgeley	Carl Morris	Ben Unwin
Paul Fitzgibbons	Simon North	Ross Wheatley
Ben French	Mark Reynolds	James Wilkins
Edward Gower

BAR HILL WOMENS INSTITUTE

The next meeting of the W.I. will be on Tuesday 11th November at 7.30 at the school, and we are looking forward to a visit from a member of the Cambridge Theatre Company.

The competition is for a Favourite Animal Photograph.

Instead of a Bring and Buy Table this month, Mrs. Esme Whitworth will be showing a selection of homemade soft toys which should give us plenty of ideas for Christmas.

The Choir has been re-formed and their first performance will be at the Papworth Group Meeting on 18th November.

The coffee morning will be on Friday 21st November at 3 Field View at 10 o'clock.

An interesting and varied programme has been planned for the winter months so why not come along and join us, new members are always welcome. For any further information ring C.H. 80612.

BAR HILL CONSERVATIVES

The Annual General Meeting of the Bar Hill Branch of the South East Conservative Association will be held in the Church Centre on Friday November 14th at 8.00pm. This is the meeting postponed from October 13th.

Mr. James Parce

Mr. James Parce has been adopted as prospective Conservative candidate for South East Cambridgeshire. Mr. Parce is the General Manager of a company providing management training and recruitment facilities to commerce and industry. He at present lives near Framlingham in Suffolk but is moving as soon as possible into South East Cambridgeshire. Aged 37 he is married with two sons aged 8 and 10 who are being educated at state schools. He has been a member of Suffolk Coastal District Council since 1976, and was chairman from 1982-1983.

He intends to visit Bar Hill shortly, and, if possible, a prior announcement will be made in the Bar Hill News.

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL NOTES

Legislation which is shortly to become law concerning the Licensing of Hackney Carriages was discussed in a Sub-Committee meeting at South Cambridgeshire Hall on 16th October 1986

Everyone operating vehicles plying for hire as Taxi Cabs within the District of South Cambridgeshire must be registered with the Council and the vehicles tested for roadworthiness at the Council's M.O.T. Testing Station at Oakington.

Each vehicle will be registered and will carry a Taxi Cab Registration Plate, also the Owner/and Driver(s) must complete registration documents which will prove their ability and competence to drive and operate Taxi Cabs.

A suggestion has been made concerning the provision of a Taxi Cab Rank to be situated in close proximity to the Mall, providing a permanent stand for 2 cars. This will enable the Public to be aware of the existence of a Taxi service and the location where a car may be normally found.

There is no restriction at this time of the number of licences being granted and anyone who either currently operates a Taxi Service or contemplates doing so, should immediately contact me or the District Council for registration details.

I shall be very pleased to help you in this or any other problems in which you think I can be of assistance.

Councillor Alec Green,
16 The Brambles (CH 80978)

NATIONAL CHILDRENS HOME collection was £117.73p. Many thanks to those who collected and those who gave.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Resident,

The Local Education Authority at its meeting last month has decided to consult on the following two options for Post 16 Education in the Cambridge area:-

1. A Tertiary System with two colleges, one in the north of the City and one in the south to provide both academic and vocational courses.
2. To close Hills Road Sixth Form College and to combine it on the site of Long Road Sixth Form College.

The Education Committee also agreed Community Education Budget changes which will provide greater financial resources for the Huntingdon and Peterborough areas over the next few years by means of a gradual reduction in funds from the Cambridge area.

The Committee rejected a proposal to co-opt Post 16 students onto the committee.

The County Council's Planning Sub-Committee has again considered the Cambridge Green Belt and has made a number of changes i.e.

To give Green Belt protection to Clay Farm, Trumpington and a number of small sites in Shelford, Stapleford and Fulbourn.

To take out of the Green Belt 31 Acres at Marshall's Airport for an Aircraft Hanger Development, 70 plus acres at Arbury Camp Farm, Milton for industrial development and a small site adjacent to the Sewage Farm, Milton for industrial development.

The Planning Committee has been visiting all Emergency Planning Centres in the County and has decided to have an Open Day for the public to view the County Council's new Emergency Planning Headquarter at the Shire Hall when it is completed early in the New Year.

The new gantry signs on the A604 have regrettably been further delayed first due to problems over the manufacture of specialist parts of the steel structure and secondly due to a traffic accident early in October which caused serious structure damage to the concrete foundation of one of the gantry signs resulting in the need for the damaged foundation to be replaced. It is therefore unlikely that the signs will be erected before December.

If anyone wishes to contact me please either telephone on 'Careline' CH 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

**** LITTER BUSTERS ****

Listed below are the names of people who we KNOW pick up litter, be it from their own vicinity or from the spine paths and walkways in and around Bar Hill. We are sure that more residents than this join us in our efforts - all we aim for is a clean litter-free (and dog mess free) environment in which to live and bring up our children. That's no big deal, is it? JOIN US!

We don't have the names of a large number of the people who came and helped on our first village clean up in March. If any of you have continued to "Litter Bust", please phone us. We will publish an updated list of Litter Busters in a month or so.
